Re: Freedom of Information Act Request

Dear Sir/Madam:

Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, we respectfully request that the United States Environmental Protection Agency make available for review any and all records or portions thereof, including but not limited to all documents, complaints, notices of violations, applications, correspondence, FOIA requests, files, reports, records, photos, memoranda, electronic mail, microfilm, computerized databases, diskettes, newspapers and faxes, referencing, related to, associated with, concerning or pertaining to radioactive slag located in and around the Stauffer Chemical Company, Tarpon Springs site located in Pinellas County, Florida, including, but not limited to, the sampling and analysis of health risks posed by offsite radioactive slag in nearby communities, such as Tarpon Springs, Holiday, New Port Ritchie, Palm Harbor, Clearwater, and Shady Hills, and any related remediation efforts pertaining to radioactive slag.

We request the foregoing records without regard to time, event, or subject, including any potentially responsible party or other person or party who may have a nexus to the properties. We will pay any reasonable fee provided for in the FOIA and associated with reproducing the requested records; however, if the costs exceed one hundred dollars (\$100.00) please contact me with an estimate prior to incurring such costs.

As you are aware, the FOIA requests that an agency respond to a written request within twenty (20) business days of receipt of a request. Thus, we would appreciate a response as soon as possible. If, for any reason, any portion of this request is denied, please
